2018

A Fruitful Summer

Greetings from Guatemala City! We had a great summer of ministry, and we want to share all about what God is doing here!

Mission Teams

—A MANNA mission team from Northside Baptist Church of Arkansas City, Kansas, came with Pastor Mike Haley to visit our Sumpango church and feeding center. After helping serve in the feeding center and spending time with the kids, the group went on two home visits to feeding center families, blessing them with some groceries and a water filtration system. It was a special time visiting and sharing from God's Word, but the highlight of the day was when Clara, one of the feeding center moms got on her knees and accepted Christ as her personal Savior! The other feeding center mom that was visited that day, Wendy, rededicated her life to the Lord after the following Sunday service!

—We also had a wonderful week with a team from Arlington Baptist Church in Baltimore, Maryland. They came and worked hard helping us do some painting and prep work for our first service in the new auditorium in Ciudad Quetzal. They also prepared songs, crafts, and stories for our kid's classes at both churches. Whether it was sweeping the roof or singing in Spanish, they served with a smile and a humble spirit.

—Then, a missions team from Westside Baptist Church of Jacksonville, Florida, came and did evangelistic children's events at both of our churches, as well as some canvassing and evangelism plus singing in our services. Best of all, twenty-four people made a profession of faith in Christ as their Savior!

CQ Building Dedication

After what has seemed like a long wait, we are finally in our new Ciudad Quetzal auditorium! On July 29th, the church had a special dedication service with a ribbon cutting ceremony, cake, and lots of visitors! We are so thankful for this beautiful large auditorium that will give our church the room to grow and reach even more people for the Lord. Thanks to all those churches and individuals who have given toward this project.

Back To School

Our three kids have begun a new school year at the Christian Academy of Guatemala. Mikayla is in 12th grade, Jeremiah is in 10th, and Joel is 7th grade. We can't believe that Mikayla is in her last year of high school! She is beginning to make plans for college and will be studying in the USA in the fall of 2019. Mindy is also helping part-time at the school teaching Elementary PE and Jerry is on the school board and coaching basketball.

Thanks so much for your financial support and prayers!

Saved to Serve,

Jerry and Mindy
