YOUR MISSIONARIES TO GUATEMALA

Summer in the USA

Our family just returned to Guatemala after 2 months in the United States. It was a great summer and we were able to accomplish all of our family goals! We were able to be in eleven of our supporting churches, and we enjoyed reporting back about the ministry in Guatemala. We were also able to spend precious time with family and friends that we only get to see every few years, plus Mikayla and Jeremiah were both able to work jobs and start saving money for college. Mikayla is now a freshman at Liberty University, Jeremiah is in 11th grade and Joel is in 8th grade at the Christian Academy of Guatemala.

Sumpango Baptisms

We are thankful that the Sumpango and Ciudad Quetzal churches are continuing to grow and reach people for the Lord. Two young ladies recently received Christ as their Savior after hearing Mindy teach a Bible lesson and give an invitation. The Sumpango church also recently baptized 5 believers in a special baptism service and picnic.

Teacher Appreciation

We are thankful for the Sunday School teachers who sacrifice their time and energy to serve alongside us in our various ministries. On June 30th, we celebrated Teacher's Day in Guatemala. Both churches recognized our Sunday School teachers with a special gift during the service and a special time of food and fellowship afterwards.

Weddings

This summer we celebrated two very special weddings in our churches. Daniel and Teresa Rodriguez said their vows in the Ciudad Quetzal church. It was a beautiful and much anticipated wedding, and we were privileged to have a part in the ceremony. Also, our BBFI teammate Kaitlynne Dixon just got married! Kaitlynne married our Sumpango church assistant pastor Adriel Yos. We are excited for this new young couple and looking forward to seeing how God is going to do GREAT things through them!

New President Elect in Guatemala

On August 18, Guatemala elected a new president, Alejandro Giammattei. Although not openly stated to be a Christian, he is reported to be politically conservative and opposed to abortion and same-sex marriage. There are also a number of controversies regarding Guatemala becoming a safe haven for refugees that have been turned out of the United States. Please pray for our new president and government officials as they continue to fight the widespread corruption, violence and poverty here in Guatemala.

Thanks so much for your financial support and prayers!

Jerry and Mindy
