## Fulfilling the Great Commission

**"The Great Commission is not an option to be considered; it is a command to be obeyed."** — Hudson Taylor

Our job is to fulfill the Great Commission! Today's missionary is one who is sent out by a local church to a place that God has made clear that they are to go. Our work is to reach people for Christ and disciple them to maturity in order that they can reach their own people. It is a privilege to be doing just that in Guatemala!

### Ministry Update

This past week, our second church plant had a special "Día del Amigo" or Friend Day. Our people responded and brought many guests. Four of those friends accepted Christ as their Savior and another rededicated her life to the Lord. That's what it's all about! We are thankful to be carrying out His mission.

### Church Construction

The walls of the new church auditorium in Ciudad Quetzal are going up fast. Many of our church members are getting involved and have given special offerings toward this project. We have had packed out services several Sundays recently and can't wait to have more space to grow!

### Family News

Our son Jeremiah was invited to play for the Guatemalan national baseball team for his age level. He is practicing four days a week, and will be representing the country of Guatemala this summer in international tournaments. He also continues to work hard in school and serves the Lord each week through our church music ministry. We are very proud of him.

Mindy is teaching part-time at the Christian Academy of Guatemala, an English-speaking school primarily for missionary children. She is teaching Elementary Physical Education three days a week and loves it! She still has time during the week to go to the Ciudad Quetzal church for ladies Bible studies and to help with the MANNA feeding center. If you or anyone you know would be interested in teaching in Guatemala this next school year, the Christian school is needing teachers. Please let us know, and we'll put you in contact with them.

Thank you so much for your prayers and financial support!
