Happy New Year

Happy New year from Guatemala! Last year was a full and eventful year for our family and ministries. Here are just a few highlights from the end of 2018:

Vacation Bible School

With local schools ending in October, the month of November is a great time for Vacation Bible School here in Guatemala. This year we had a farm theme with Bible lessons from the life of Peter. Both the Sumpango and Ciudad Quetzal churches had a great attendance with 457 total kids and over 60 children accepting Christ as their Savior! Praise the Lord!

Group from Odessa

Also in November, we were blessed with a visit from a mission team from Crossroads Church in Odessa, Texas. They were a huge help with the Sumpango VBS, passing out flyers, decorating, and working with the kids each day. We also had the opportunity that week to build a home for a family who had lost everything, including over 15 family members in the Fuego Volcano eruption disaster. If you or your church would be interested in coming on a mission trip and helping with Vacation Bible School this coming November or another ministry opportunity, please let us know.

Youth Camp

Our annual youth camp took place in mid-December and was a blast! Roger and Daiana Medina from San Jose, Costa Rica came and spoke to the teens. They did an amazing job both relating to and challenging our young people from God's Word. Many teens responded to the preaching and teaching and made important decisions for the Lord. It was exciting to see one young lady get saved as well! Thanks to all those who gave sponsorship donations and helped to make this youth camp a HUGE success!

Baby Dedications

Both the Sumpango and Ciudad Quetzal churches recently had a special Sunday inviting parents to dedicate their babies and small children. Of the several families that participated - one MANNA feeding center dad recently accepted Christ as his Savior and has been attending church faithfully with his family. Another young father rededicated his life to the Lord and is currently doing discipleship along with his wife. Also, a young mother got saved recently during a Christmas event and dedicated her two young children to the Lord. To God be the glory!

Thanks for your prayers and financial support.
