

# KINMAN KRONICLE

YOUR MISSIONARIES TO GUATEMALA

June  
2021

## Special Prayer Request

Please pray for our daughter Mikayla. She will be having an ileocecectomy surgery this Monday, June 28th, to remove part of her small and large intestines which have been damaged by Crohn's disease. She will be having the surgery at Johns Hopkins All Children's Hospital in St. Petersburg, Florida, and will be hospitalized for about a week. Lord willing, everything will go well and Mikayla will be able to attend Liberty University as planned in the fall.

### Ministry Update:

We praise the Lord that both the Sumpango and Ciudad Quetzal churches are doing well during our furlough. Team Guatemala just had a new addition! Our teammates Kaitlyne and Adriel Yos just recently had their first baby, Aidelyne Grace. She is absolutely beautiful, and we can't wait to get to Guatemala to meet this precious new baby! Another ministry blessing to report is that Adriel was ordained last Sunday, and we are thankful for the national pastors and for retired BBFI missionary Jim Smith who was able to fly to Guatemala and be part of Adriel's ordination service.

Please continue to pray for the country of Guatemala. COVID-19 cases are on the rise, and many people are still suffering from lack of food, employment, education and proper health care. We are thankful that our churches and feeding centers can continue to minister to those in need and be light to those that are hurting during this time.

### Furlough Update:

We are thankful for the opportunities we have had so far to share with friends, family, and churches what God has done through us in the country of Guatemala. We still have some dates to fill for this coming fall and spring though, and would love the opportunity to come and give a report to your church. If you would like to schedule our family to present the field of Guatemala or to give a report of God's blessings on the ministry in Guatemala, please contact us. (Phone 941-900-7368, Email [kinman@teanguatemala.org](mailto:kinman@teanguatemala.org))

Thank you again for your faithful support and prayers. We look forward to seeing you soon!

Jerry and Mindy
