## Happy Easter

Happy Easter from Guatemala! “Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a *lively hope by the resurrection of Jesus Christ* from the dead.” (1 Peter 1:3) As missionaries, we have confidence in declaring that our Lord Jesus has paid sin’s debt by dying on the cross and then victoriously rising from the grave to offer us eternal life. Let’s preach the good news!

### 10<sup>th</sup> Anniversary in Sumpango

Our first church plant here in Guatemala has just completed its 10th year of ministry, and we celebrated with a special service and dinner on the grounds. We had over 160 in attendance, with many guests and new families visiting for the first time. Guest speaker and pastor, Job Fuentes from Sololá, Guatemala, came and gave a motivating message to not get caught up in the past and encouraged our church members to keep working hard in the future.

### Mikayla update

As you might recall, our 16 year old daughter Mikayla was diagnosed with Crohn’s disease during our last furlough in 2014. For the past few years, she has been on different medications and even completed one year of Remicade IV treatments. She was on remission for most of 2017 but in the past few months has had a relapse. After an endoscopy and colonoscopy, we found out that part of her colon is damaged and she is currently resuming the Remicade IV treatments at a local hospital. So far, her body seems to be responding well to these treatments, but please continue to keep her in your prayers.

### Kaitlynn returns

Our teammate, Kaitlynn Dixon from Largo, Florida, has finished raising her support and has now returned to Guatemala as a BBFI career missionary. She is currently living with us while we help her get set up and accommodated. She is a hard worker and a great addition to our missionary team!

Thanks so much for your financial support and prayers!
