Kinmans on Furlough

We are excited to announce that our family is now stateside and beginning a one-year furlough! We are thankful to our teammates Karen Kolb and Kaitlyne and Adriel Yos, as well as our national leaders for their willingness to step up and take over some of our responsibilities while we are here.

Ministry Update:

The Sumpango Church just celebrated their 13th anniversary! This year's celebrations were a little different from past years due to COVID-19 restrictions, but we were still able to have in-person services with special music and refreshments. The biggest blessing of the day, however, was seeing one of the Sumpango feeding center moms accept Christ as her Savior after the service!

The Ciudad Quetzal Church just began in-person services, after one year of being only online. Everyone enjoyed being together again in our church auditorium instead of just listening to the music and preaching from home. For now, we will continue to pass out bags of food staples to the feeding center families at both churches, but Lord willing, we will be able to provide hot meals once again soon.

Family Update:

Mikayla is finishing her second year at Liberty University, and was just asked to take a leadership role in her dormitory next year as a Resident Shepherd. Jeremiah will be joining his sister in the fall at Liberty, and is excited to be rooming with Kevin Ruesga, the son of our good friends and fellow BBFI missionaries April and Adolfo. We are so thankful for the scholarships God has provided to enable both of our kids to attend a Christian college. Joel will be finishing the fourth quarter of his 9th grade year at Braden River High School in Bradenton, Florida, where we will be based for this furlough.

We would love to come and give a report to your church. If you would like to schedule our family to present the field of Guatemala or to give a report of God's blessings on the ministry in Guatemala, please contact us. (Phone 941-900-7368, Email kinman@teamguatemala.org)

Thank you again for your faithful support and prayers. We look forward to seeing you soon!
