YOUR MISSIONARIES TO GUATEMALA

Harvest Time

Greetings from Guatemala City! We are in harvest time and enjoying the traditional fruits and vegetables, eating giant sweet corn with salt and lime, and thanking the Lord for His perfect provision. We are also grateful to the Lord for the spiritual harvest. These past few months have been busy but exciting for our family and ministry! We just want to share a few recent highlights.

Two Mission Teams

We had a wonderful week with a team from Capitol City Church in Des Moines, Iowa. Our family had a blast working with this team and doing evangelistic children's events in three different locations. Eighteen kids and preteens made a profession of faith in Christ as their Savior.

Then, a missions team from First Baptist Church of Lexington, South Carolina, came and worked hard on our new church auditorium in Ciudad Quetzal. They built the platform, painted, did electrical installation, and plumbing. This crew was dedicated and got a lot done!

Back To School

Our three kids are in a new school year at the Christian Academy of Guatemala. Mikayla is in 11th grade, Jeremiah is in 9th, and Joel is in 6th grade. We can't believe we have two in high school and a middle schooler! Mindy is also helping part-time at the school teaching Elementary PE and Jerry is a volunteer basketball coach.

Día del Niño

Children's Day in Guatemala is always a big event. This year, we celebrated at church with biblical dramas, games and prizes. There were many visitors and one young lady accepted Christ as her Savior.

Ladies Retreat

The 7th Annual Women's Retreat in Sololá was a blessing again this year. 88 ladies attended and enjoyed two days full of teaching, crafts, music and fellowship. This year's theme was discipleship and everyone came back energized and encouraged.

Thanks again for partnering with us!
