Build Your House Upon the Rock

In Matthew 7:24, we are challenged to be like a wise man who builds his house upon a rock. This means to build our lives upon a strong foundation, Jesus Christ and his teachings. As missionaries we are constantly sharing the gospel and encouraging believers to grow in their walk with God. But just a few weeks ago, we had the awesome opportunity to literally “build a house” for a family in need!

House building near Fuego Volcano

This year for a Servant Days project, we took the Senior class (Mikayla’s class) from the Christian Academy of Guatemala to build a house for a family that lost everything on June 3rd in the Fuego Volcano eruption disaster. The teens worked hard with great attitudes and not only built a house in 2 days, but also reached out to the kids in the community with Bible stories, songs and games. We are so proud of all that they were able to accomplish! Thanks also to Catalyst Resources International for allowing us to partner with them in this ministry project.

Children’s Day

Our annual Children’s Day activities went well at both churches with face painting, games, ice cream cones and a special Bible lesson to reach new kids and families with the gospel. We had over 190 children in attendance, with lots of first time visitors. Seven children and teens accepted Christ as their Savior! Praise the Lord!

Ladies’ Retreat

Ladies from both the Sumpango and Ciudad Quetzal churches headed to Sololá for our annual ladies retreat. The sessions were a blessing to our ladies and it was great time of fellowship and spiritual renewal. The highlight of the weekend though was seeing one young woman who had come with us make a profession of faith! What an answer to prayer!

Youth Camp Sponsorships

This December will be our 9th annual youth camp for our churches and for teens from other Baptist churches in Guatemala. Every year it is a lot of fun, but more importantly, many teenagers make life-changing decisions for the Lord. If you would like to make it possible for some teens from poor families to be able to attend, the cost for sponsorship is \$35 per teen. Our overall goal for donations for this year’s youth camp is \$1,500. Checks can be sent directly to the BBFI mission office or donate online at www.bbfimissions.com, marked Kinmans for “youth camp.” We also ask that you keep this youth camp in your prayers.

Thank you again for you love, support, and prayers!
