2020

## God is Good

*O give thanks unto the Lord, for he is good: for his mercy endureth for ever. Psalm 107:1*

Greetings from Guatemala! These last 6 months of quarantine and restrictions have been challenging, but we are so thankful for good health and God's protection of our family and ministries. As of tomorrow, more restrictions will be lifted here in Guatemala. The airports and our borders are finally open, and churches will soon be able to have services with certain government issued precautions and limitations.

We have been blessed to continue to minister to the Guatemalan people during this time with online church services, phone calls and texts and the passing out of over 1,000 bags of food staples. Praise the Lord, our Manna feeding centers have been able to continue to bless the inscribed families with food supplies on a monthly basis.

Schooling for our children looks a little different this year. Mikayla is currently studying on campus at Liberty University in Lynchburg, Virginia. She is a junior in college, is studying Elementary Education, and is working hard on her studies and an on campus job. Jeremiah is a senior in high school, but is taking college classes this year as well, also with Liberty University. Joel is now a freshman in high school. He is studying online with the Christian Academy of Guatemala. Mindy is still teaching part-time, also online and with the Christian Academy of Guatemala.

Lord willing, our churches will resume in-person services very soon, and our feeding centers will be able to once again serve hot meals during the day. We are looking forward to getting back to a somewhat normal ministry schedule and being able to minister in person.

We would like to inform you that our family is planning a one-year furlough in the USA, beginning this next year, June of 2021. If you would like to schedule us for a meeting or a missions conference, feel free to email or send us a message.

Thank you for your prayers and faithful support! You are an essential part of our ministry here in Guatemala!

Saved to Serve,

Jerry and Mindy
