God Is At Work

We send you greetings from the beautiful mountains of Guatemala! Thanks so much for your love, faithful support, and prayers for our family and ministries. God continues to work and we are always amazed and thankful for the great things that He has done.

Early this month, our second church plant (in Ciudad Quetzal) had a great baptism picnic at a nearby campground. It's always been a fantastic event and this year was no different. After an open air church service, six new believers followed the Lord in baptism. Praise the Lord! Of course, the day was concluded with food, family fun, and soccer. One young man who was baptized, Carlos, we have known for years. He also attended our youth camp this past December and then trusted in Christ as his personal Savior. He now attends all services at church and is faithful in our discipleship Bible study. It's awesome to see the Lord work in his life!

CQ Project

We have been advancing right along on our big construction project, and the concrete roof was just recently poured for the new auditorium in Ciudad Quetzal. This building will be a key piece to help the church continue to grow and reach more Guatemalans with the Gospel. If you would like to help financially with this project, please send a check to the BBFI designated Kinmans – Ciudad Quetzal Construction Project. Approximately \$18,000 is still needed to finish the building off.

Family News

The 2016-2017 school year came to a close and our kids have accomplished many things. We now have 2 in high school (Mikayla and Jeremiah) and one child in middle school (Joel).

Our son Jeremiah will be representing Guatemala in a big international baseball tournament in July. He has been working very hard and was selected to the 13 & 14 year old national team. The tournament will take place here in Guatemala City, July 9-16, and includes the top teams from all of Latin America. Please keep him in your prayers. He is also diligent in his studies as well as improving his musical talents and serves the Lord each Sunday on the worship team at church. We are very proud of him!

Thanks again for your faithful support and prayers!

Saved to Serve,

Jerry and Mindy
